RELEVANT EXPERIENCE

Sales Reporting & Data Project | Quantum Revenue Solutions *2024 – 2025* | California, USA (Remote)

- Built sales performance dashboards in Excel and Power BI to support weekly business reviews, improving stakeholder visibility into regional trends
- Wrote and executed SQL queries to extract, clean, and validate source data before loading into reporting systems
- Communicated findings through clear visual summaries, making complex data accessible to non-technical stakeholders

Data Reporting Intern | University of Winnipeg – PACE *July 2025* | Winnipeg, MB

- Developed Power BI dashboards from enrollment data to support academic planning decisions
- Wrote SQL joins and filters to consolidate data from multiple sources before visualization
- Presented insights to faculty in plain language, enabling data-backed decision-making across departments

MARKETING EXPERIENCE

Marketing Manager | KDH Textile Pvt. Ltd. *Aug 2021 – Jul 2024* | New Delhi, India

- Led a 15-person sales and marketing team, managing performance targets across 3 regions and 100+ product SKUs
- Built Excel-based sales reports to identify underperforming products, enabling directors to reallocate budgets each quarter

- Analyzed competitor pricing and customer feedback monthly, maintaining steady annual revenue and preventing a projected 15% decline
- Developed and implemented an inventory tracking system using shared spreadsheets, giving management real-time stock visibility
- Managed digital content and communications across marketing channels, coordinating promotions and product launches

Marketing Coordinator | KDH Textile Pvt. Ltd.

Apr 2017 – Dec 2019 | New Delhi, India

- Maintained an Excel tracker for 200+ monthly orders, reducing average delivery time from 9 to 6 days and cutting customer complaints by 30%
- Compiled monthly sales trend reports by region, enabling management to reorder stock two weeks faster
- Coordinated marketing documentation, files, and records, ensuring accuracy and accessibility across the team

Sales Representative | KDH Textile Pvt. Ltd.

Apr 2012 – Apr 2015 | New Delhi, India

- Consolidated sales and supplier data from two regional offices into structured monthly Excel reports
- Analyzed supplier performance to negotiate improved terms with three key partners, increasing repeat orders by 25% over two years
